

THE NEED:

Do you know

how fast the church outside the Western World is growing? Hundreds of thousands of new believers join the church every day and each week hundreds of new churches are started just to keep up. Pastors, Christian Business Leaders and Church Leaders in places like Asia & Latin America often don't have formal schooling. In fact, well-meaning church leaders will often interpret the scriptures incorrectly because they lack effective tools to address the expansion of the Islamic faith, issues of poverty, war, the role of women in the church, biblical relationships and what the church needs to do in response to AIDS which ravages their families. Other than a God-given passion to lead a church, they aren't left with many resources. This is the void that International Ministries Network (IMINNET) has been created to fill!

YOU CAN EMPOWER CHURCH LEADERS IN : ASIA, SOUTHEAST ASIA & LATIN AMERICA

International Ministries Network is on track to train over one-thousand church leaders in our first year and thousands more in the next four years! In order to keep pace with the current growth of the Kingdom, we must increase our training numbers where we are going and into new territory!

By becoming a part of IMINET's Empower Church Leaders International Partnership (ECLI), your support can provide Church Leaders with ongoing **Training** and **Mentorship**. This training is designed to **release** them fully into the marketplace of ideas and assist them in being effective in the World for Him!

EACH CHURCH LEADER WILL

BENEFIT FROM:

- A bi-yearly six-day leadership program
- Four full years of mentorship from other trained leaders
- Each participant will have material that they can use effectively for years to come
- A solar digital player of all the material covered

OUR SUCCESS DEPENDS

UPON YOU!

By making a small monthly commitment, you can send one church leader (pastor or business person) to IMINET'S training programs. Empower Church Leaders International (ECLI) multiplies the impact of your gift by reaching many more Church leaders. Your supported Church leaders will disciple ten other Church leaders, who in turn will each reach ten more, your monthly support will impact thousands of Christians throughout these regions of the world. **Imagine the huge impact you can make for the next generation from refugee camps to massives cities. It just takes you to say: "Yes!"**

*Does this sound like something worth
your prayer \support \action?
Impacting Leaders to Impact
Nations?*

*Through ECLI you will provide the
impacting training these church
leaders need to help transform not
only their culture, but others around
the world!*

Just let us know what part of the world or country where you'd like to focus your gift. Send in your first gift, and we'll contact you with more information.

You'll also receive:

- A regular newsletter updating you on the impact of your partnership
- A personal letter from one of the pastors you have helped
- Short term Mission trips can also be arranged so you can serve in person!
